EFMI STC 2013 – Data and Knowledge for Medical Decision Support

FIRST
ANNOUNCEMENT

The
hosting
city

The capital Prague is without question the most attractive destination in the Czech Republic.

The city of a hundred spires on the Vltava river is known to people from practically the whole world and is regularly voted among the 10 most beautiful cities in Europe.

Conference
venue

Barceló
Praha

In a quiet area, 5 minutes walk from the „Budejovicka“ metro station (line C), 15 minutes drive by city transport from the historical centre. Thanks to its convenient connection to the city and the important Prague Congress Centres the hotel is an ideal place to come on business or to stay for your leisure.

Keynote
speakers

Prof. Marion Ball
Prof. J. H. van Bommel
